

EXPERIENCE

2014 - PRESENT CATH•S, Ghent, BE

Associate Partner

CATH•S accessories is a small family business specialized in jewelry, where all responsibilities are shared amongst three people. Along with managing all day to day operations, my main responsibilities are overseeing imports and exports, sourcing material, sales and administration.

2014 - 2016 Rue de l'or, Ghent, BE

Co-Owner

With my history of working in fashion and jewelry industry I launched an online Webshop selling jewelry, designed and handcrafted by European designers. I created an own brand and story to visualize and commercialize the importance of handcrafting in Europe.

2014 Mark Holden Fashion, Vancouver

Intern Assistant Director

During two months I assisted on developing new products, improved social media and did research of the European market.

ABOUT ME

I am a curious entrepreneurial creator interested in spaces where business, design, and fashion converge.

I have gained a wealth of knowledge working from an early age in an entrepreneurial family.

In my free time you can find me in nature, hitting the trail, doing yoga and pilates.
