

**Ry Shorosky**  
ryshorosky.com

Ry Shorosky (b. 1988) is an American photographer and director who was born and raised in the northeast and is currently based out west. For the past five years he has split his time between the arts world and being on the road working and living as a long-haul truck driver throughout the United States. He is strongly focused on visual storytelling and sharing pockets of American (sub)culture through his own submersion and empathy.
